Curriculum

Ages 5-9 Players will first be grouped by age. Players showing skills and desire to be challenged will have the opportunity to move up to make camp the best possible experience. Each day we will focus on a topic (dribbling, passing, shooting). Sessions will begin in the morning with individual focus on the topic and build to incorporating the skill of the day into small sided games.

Ages 10-14 Players will be grouped by age first and then adjusted based on skills.

Sessions will be based on individual technique topics (2v1, 3v2, 4v2). Sessions will build beginning with little to no pressure and finishing with game situations.

High School Academy (ages 15-18)

Sessions will be built around individual technique and small group attacking and defending (2v2, 3v3, 4v4, 6v6).

Goalkeeping Brian Linne will lead goalkeepers with focus on individual technique including footwork, angles and handling in morning sessions, then will be incorporated into small group training and games in the late morning and afternoon hours.
